

2026 HBCU SCHOLARSHIP

HISTORICALLY BLACK COLLEGES & UNIVERSITIES

2026 Scholarship Award: \$1,000.00

Historically Black Colleges & Universities (HBCUs) were first established in the 19th century to provide higher educational opportunities for black Americans.

Due to slavery (and later segregation), black Americans were denied admission to traditionally white institutions.

The Higher Education Act of 1965 defines HBCUs as an accredited higher education institution established prior to 1964, whose “principal mission was, and is, the education of black Americans.”

Currently, the 107 HBCUs (both public and private entities) serve more than 289,000 students throughout the country.

The members of Lambda Chi Omega Chapter of Alpha Kappa Alpha Sorority, Inc.® are thrilled to offer this scholarship opportunity to our local graduating high school seniors on O’ahu planning to attend a Historically Black College or University in 2026.

Be certain to review the Requirements & Guidelines Chart in Section VI (page 4), to ensure all eligibility requirements are met.

Best of Luck!
